## Golden Drop Winery

is a family owned and operated business of Charles Nastasi and wife Lucy, together with their sons, Sam and wife Jackie, Dino and wife Maria, daughter Grace, and sister Lena.

The property was originally a viable tobacco farm in the 1970's, but with the looming demise of the tobacco industry Charles decided to diversify from tobacco and planted his first 3,600 mango trees in 1975. Over the past 25 years, his plantation has grown to have in excess of 17,500 trees, making it now one of the largest mango plantations in Australia.

Our product is 100% Australian and we are justifiably proud that it is a product that we have pioneered, and that we produce from our very own Australian Kensington Red Mangoes.
